### **Manny Bekier – Guest Speaker**

*The massacres perpetrated by the Einsatzgruppen  
as revealed by the Yahad-in-Unum Project*

On this anniversary of Kristallnacht, Manny will be speaking about the little known story of the Einsatzgruppen (the mobile killing units of Nazi Germany), and their integral role in the implementation of the so called "Final Solution" in the eastern territories conquered by Nazi Germany. He will be talking about the recent and ongoing work of Father Patrick Desbois and Yahad-in-Unum, in uncovering the mass execution sites in the former Soviet Union and interviewing eyewitnesses. Using multimedia, Manny will show some revealing video testimonies from the Yahad-in-Unum project.

*A light collation will follow the program.*
